the all NEW

PayTrain[®] 2007

PAYROLL TRAINING PROGRAM

Today's payroll professionals are busier than ever, dealing with complex mergers, new regulations, and countless other demands. Don't let your busy schedule keep you from reaching your compliance goals. APA's **PayTrain 2007** provides convenient, cost-effective, and comprehensive payroll training via the Internet. Give your staff the high-quality payroll training they need—with **PayTrain**, there is no need to leave the office or take a day off.

Try a **FREE** demonstration at www.learnpayroll.com

PayTrain is ideal for:

- Your **Certified Payroll Professional (CPP)** exam preparation, as well as your staff's. PayTrain covers the entire CPP body of knowledge and provides a variety of practice questions.
- Your department's **critical compliance training**. PayTrain offers computer-generated testing, study plans, case studies, and interactive games that test and track your knowledge improvement.
- **Busy payroll professionals like you**. You can use PayTrain at any location you have a computer— avoid travel expenses and missing valuable time at work.
- **All levels of payroll staff** including experienced payroll professionals seeking professional development.

Invest in **PayTrain 2007** to maximize your company's payroll training.
